

## FEATURES AND BENEFITS

- High performance quality
- Reacts naturally
- Improved durability and safety
- Virtually maintenance free
- Clean and can be cleaned easily
- Consistent performance over time and use

## APPLICATION

The thatch in this product provides added body, reducing the amount of infill needed. Available in two colors, this product can match indigenous colors as needed. This product can be used for landscaping, playgrounds, walkways, pet areas, and much more. This product can be installed indoors or outdoors on concrete or a compacted aggregate base.

# PINE ISLE
